

Joe Guys Funeral arrangements 30.6.17.

Joes family have asked us to share the following details re the funeral arrangements for next week and expressed a welcome to everybody at the service and wake afterwards. Dress code is not formalised and club jerseys etc are fine. Steve and Craig will be wearing Black and Yellow ties as this needs to be a celebration of Joe and all he was.

The service will be at St. Giles Church, Willenhall

The church will open at 11am for mourners and the service will start at 12pm. Joe will then be taken to Bushbury Crematorium (Chapel 4) and a service will be held there from 1330.

There will be riders from WWCC leading the Funeral cortège into the crematorium made up of Joes close friends in accordance with Joes Family's wishes. Anybody who would like to salute Joe into the chapel is more than welcome to bring a wheel and a guard of honour will be formed.

The service will leave the Crematorium and then make its way to Linden House, Tettenhall Road, Wolverhampton - <http://www.lindenhouse-functions.co.uk/> for the wake starting at 3pm. Linden house will be available for guests from 1330 for those not able to make the service etc.

Joes family have extended a welcome to all members, riders friends and associates of Joe to the service and the Wake. From speaking with them I know that the support you have all shown is helping them get through this most tragic of times.

If you need any further information please ask.
