Thursday, January 23, 2025

Dear David Brookes and the cycling team,

We are so grateful that you have raised a fantastic total of £325.50 in support of Anthony Nolan, thank you! This amount is enough to add 8 new potential donors to the stem cell register, which could give people with blood cancer their second chance of life thanks to you.

We really appreciate all the hard work and time that you put into organising your Charity ride in October 2024 event in celebration of your son. Please pass on our thanks to everyone who took part and supported your fundraising.

Last year Anthony Nolan helped more than 1,050 patients in the UK and more than 280 patients internationally. This is thanks to the incredible support from people like you. Your wonderful fundraising allows us to continue to match incredible individuals willing to donate their blood stem cells or bone marrow, to people with blood cancer and blood disorders who desperately need lifesaving transplants.

Last month, 59 lifesaving transplants were facilitated by Anthony Nolan thanks to the amazing support of people like you.

There's nothing quite like talking to you about saving the lives of people with blood cancer, and we don't want it to end. We'd love to keep in touch with you to let you know how your fantastic fundraising is helping us save lives. To enable us to do this, please fill out the form on our website here: [webforms.anthonynolan.org/update-your-details](https://webforms.anthonynolan.org/update-your-details)

If there is anything I can do to support you in the meantime, please call or email me anytime. I'm here to help.

Thank you again for all your hard work and support.

Best wishes,

Hannah Dabharria
